

SERVICES PORTFOLIO

OUR BRAND VALUE

At **Torrisko** we understand that you need a strategic ally to operate safely in Colombia. That is why we are the tax and accounting services company that provides a shield to your processes, through an **empathetic, personalized** and **secure** treatment. Thus, we create an experience of **trust** and **well-being** for our clients.

OUR PURPOSE

Our brand was born with the purpose of **building a strong and unbreakable value chain**. We want to generate value for companies, taxpayers, shareholders, suppliers and the community of Cartagena; firmly supporting local and foreign entrepreneurs who bet on the city.

OUR ETHOS

A close-up photograph of a person's hand holding a black pen, poised to write on a document. The document features various charts, including a pie chart and a line graph, along with some text. A calculator is visible in the background. The entire image is overlaid with a semi-transparent teal filter. On the left side, the text 'OUR SERVICES' is written in white, bold, uppercase letters, preceded by a vertical white line.
